Small Change Grant Overview & Information

Selection Criteria

All applications will be considered based on the merits, viability, and sustainability of the proposed project as well as community support. To support as many parks as possible, Park Pride may award grants for a portion of the amount requested. In order to be selected for funding, all projects must meet the eligibility criteria & requirements listed above. In addition, projects will be evaluated on the following:

- Level of community involvement in development of the plan and overall project
- Community participation in fundraising
- Previous park improvement project success
- Does the project address an identified need?
- Does the project use funds effectively?
- Is the project well designed?
- Are proposed materials appropriate for site conditions?
- Are matching funds in place and/or is the fundraising plan achievable?
- Is the project timeline realistic?
- Does the project address any impacted maintenance requirements?
