

# Legacy Grant Overview & Information

## Overview

Park Pride's Legacy Grant program provides matching grants of \$50,000 to \$100,000 to community groups for the implementation of comprehensive park visions and master plans. Applicants may request up to 50% of their Total Project Budget and are responsible for securing the remaining funds. **First time grant recipients do not qualify for Legacy Grants.**

## Eligibility

- ❖ Applicant must be a registered Park Pride Friends of the Park group
- ❖ Project is in a park or on public land with public access in the **City of Atlanta**
- ❖ Applicant has completed all previous Park Pride grant projects
- ❖ Must be a capital project

## Requirements

- ❖ Project must be supported by the community
- ❖ Project must be approved by the property owner through a Park Permitting & Design Review Meeting
- ❖ Project must be part of a City/County approved Master Plan OR Park Vision Plan OR Professional Site Plan developed through community involvement
- ❖ Project is sustainable and can be completed within 12 months
- ❖ Applicant must match grant dollars on a 1:1 basis (through cash and in-kind donations)
  - Community investment is required
  - Volunteer hours can count toward your match if it is included on the project budget
  - Matching funds must be spent on items included in the Project Budget
- ❖ All applicants are required to attend the Grant Workshop prior to the application deadline, submit an LOI, host a site visit with Park Pride, and submit an application following the site visit

## Selection Criteria

Applications will be considered based on the merits, viability, sustainability of the proposed project, and level of community support. Park Pride may award grants for a portion of the amount requested. In addition to the requirements above, projects will be evaluated on the following:

- ❖ Level of community involvement in development of the plan and overall project
- ❖ Community participation in fundraising
- ❖ Success of previous park improvement projects
- ❖ Project addresses an identified need
- ❖ Effective use of requested funds
- ❖ Materials are appropriate for the site conditions
- ❖ Matching funds are in place/the fundraising plan is realistic
- ❖ The project timeline is realistic
