PARK

CONCEPT 1

This plan repurposes the tennis courts as basketball courts, for a total of three full courts in the park.

This plan increases lighting throughout the park, focusing on the PATH trail and entrances

The pedestrian bridge is repaired and improved with a beautiful geometric design

MARTA maintenance access

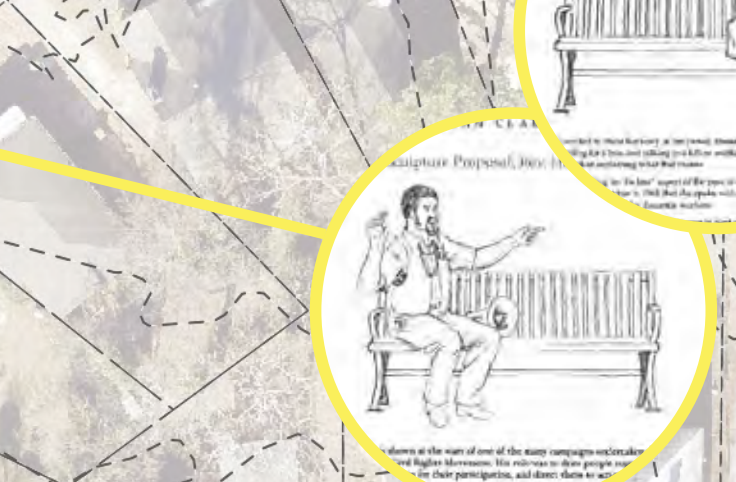

REPLACE PLAYGROUND

8 spaces

The Department of Watershed Management is installing several small rain gardens throughout the park to improve stormwater control and reduce flooding.

These benches, spaced along MLK, feature bronze sculptures of local civil rights champions. This project is being managed through the Mayor's Office of Cultural Affairs.

Remove part of median to allow left turn into C. A. Scott Recreation Center

Add parallel parking to entry drive

18 spaces

The front walkway to C. A. Scott Rec Center is flanked with educational signage discussing the history of the neighborhood and the park

Connect parking lot with a sidewalk & lighting

Expanding the parking lot eastward will increase the number of parking spaces, but would result in the loss of some trees.

23 more spaces

34 spaces

In this plan, no changes are proposed to the historic plaques detailing the Battle of Ezra Church.

New park signs at all major entrances let people know this is a space for everyone.
